

WHAT IS WEST HARTFORD NEWCOMERS & NEIGHBORS?

West Hartford Newcomers & Neighbors is a non-profit social organization whose purpose is to bring residents in the community together for friendship and fun. WHN&N is run exclusively by volunteers and welcomes any West Hartford residents, new or old, who are looking to meet new people and have fun!

WHN&N sponsors a wide variety of activities and events aimed at the diverse interests of our membership. If members have an interest that is not yet represented, they are encouraged to initiate a new event or group.

With a membership of nearly 100 families, WHN&N is a great way to make wonderful friends, get involved in a fantastic community, and have lots of fun in the process! We hope that you decide to join us.

ACTIVITY GROUPS

Social Events are a great way for members to get to know one another in a fun and relaxed atmosphere. Events are planned monthly for members, spouses and/or friends. Past activities have included wine tastings, progressive dinners, and holiday parties, to name a few.

Girls' Night Out provides a monthly opportunity to leave the men at home while enjoying movies, cooking classes, spa treatments and other fun events.

Guys' Night Out provides an opportunity for male bonding over cards, golf outings, beer tastings, skiing and other events.

Critics Corner gets together monthly to discuss books, movies, articles and issues of the day. Selections are chosen with members' input.

Playgroups for our little newcomers meet twice a month, usually at a member's home or in a local park, to provide parents and their kids with lots of new friends.

Bunco is a social game played in multiples of 4. Open to players of all levels including novices, it is a fun and easy game to play, not to mention a great way to meet new people.

Helping Hands is a network of services available to WHN&N in the event of an emergency or stressful family situation. Our team of volunteers provides meals to our members' families.

Philanthropy strives to give back to the community. Through the help of our members, we raise money for charities, collect donations for various organizations and participate in walks/runs. If you are aware of an organization that would benefit from the support of our club, please bring it to our attention.

And much more...

Being an active member of WHN&N can be very enjoyable and rewarding. If you are interested in working on a committee, hosting a party or otherwise sharing your unique talents, we welcome your involvement and enthusiasm!
